Celebration

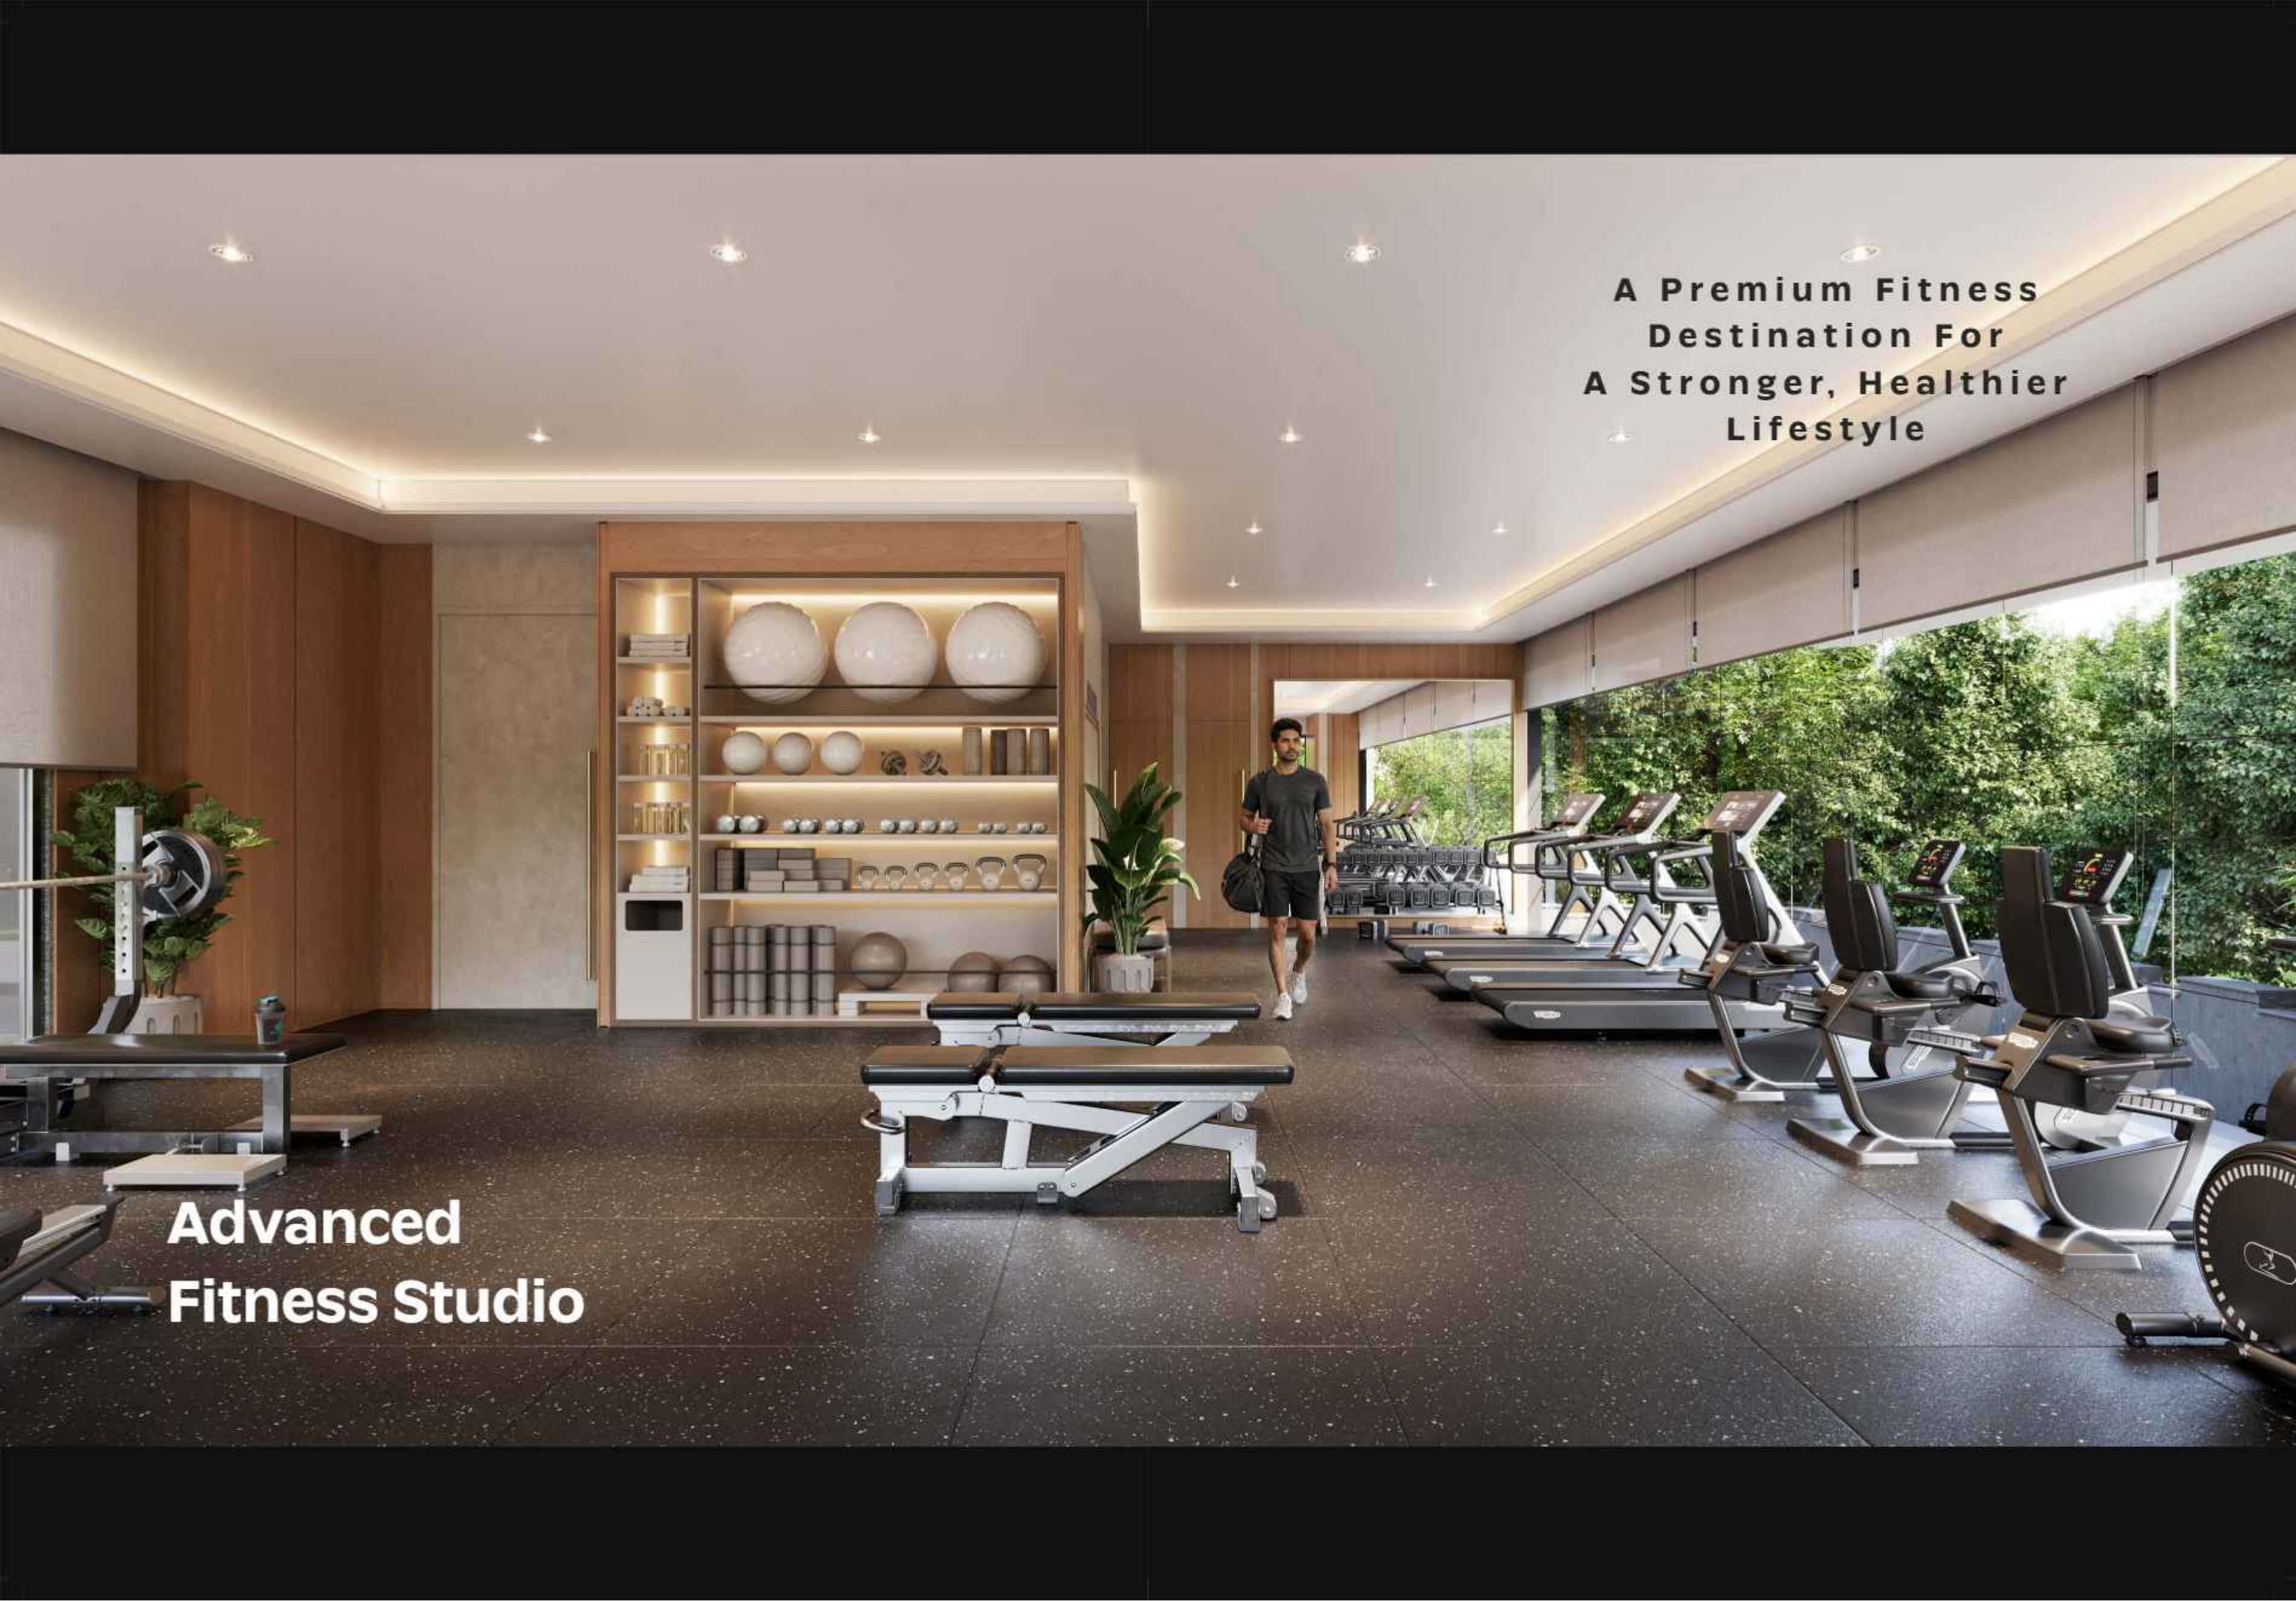

A wide-angle photograph of a rooftop infinity pool at dusk. On the left, a woman in a light green bikini stands under a rain shower, her hands behind her head. On the right, a man in green shorts stands with his back to the camera, looking out over the city skyline. The pool is a long, narrow rectangle that seems to blend into the horizon. The sky is a deep blue with scattered clouds, and the city lights are visible in the distance. The pool deck is made of dark wooden planks, and the walls are constructed from large, textured stone blocks. The overall atmosphere is serene and luxurious.
